ABSTRACT

This document is a report on the spring 2001 survey of graduates at San Antonio College (Texas), regarding their academic and overall experience at the institution. Other objectives of the survey include evaluating programs and implementing strategies to improve graduation rates. The college issued 370 surveys to graduates; 360 were returned for a response rate of 97.3%. Findings include: (1) the majority of the respondents expressed satisfaction with their academic experience, knowledge and skill gained, and support received; (2) 98% of the graduates responded that they would attend the community college again and would recommend the institution to others; (3) demographics show that most graduates were female and Hispanic; (4) the top degrees awarded were associate degrees in nursing and network administration; (5) respondents commented positively on the quality of instruction and the overall inviting nature of the college; and (6) some negative comments included insufficient parking, poor food services, and unhelpful counseling. Appendices include a sample survey form, summary statistics in table format, student comments, and comparison of fall 1999 enrollment and college graduates 2001. (MKF)

Great Instructors-It was fun	1	AAS	1704	Criminal Justice-Law Enf
Due to the requirement to the State of Texas. I was forced to take 4 levels of remedial Math even though Math was not a requirement for my degree plan. Because of my struggles in math irregardless of my continued efforts my GPA is sacrificed since I only received a "C," in all four levels. However, the required college credited courses I took, I received stellar grades and would have been a candidate easily for honor graduation. It is unfortunate and unfair that classes that are not college level nor required can interfere with a possible chance of graduating with honors. Aside from this, everything was great.	1	AAS	1592	Legal Assisting
I loved this experience	1	AAS	1573	Dental; Assisting Tech

San Antonio College provided me with an excellent academic knowledge and experience that will be of great benefit, as I move on to obtaining my Bachelor's degree in Business Administration not only did I enjoy the College's overall friendly atmosphere, but as a part time student and full time worker, I welcomed the college's flexibility in regards to revise after hours availability/ Thank you, Angela Garza	1	AA		All other concentrations

I would like to continue my education at SAC. I want my Associates Degree as Office Systems Specialist (2 Yrs). Right now I need a full time job (would be perfect PT at SAC and then continue as a part time student.	1	CL1	1525 and 1660	Office Assistant and Office Systems Technician

This college has a lot to offer students and I enjoyed attending here.	1	CL1	1521	Teacher Assistant-Level II
Great Graphics Degree Program!	1	AA and AAS	1002 and 1598	Art and Graphic Arts-Elec Graphics
Great Junior College	1	AA	1002	Art
My only complaint is with the counseling services. I was given an outdated 2+2 form and had to petition the Dean in order to graduate. A suggestion could be to put an expiration date in case this error happens again.	1	AS	1008	Engineering
SAC is a great institution with excellent instructors.	1	AA	1053	Social Services
San Antonio College is an excellent school which I have had the privilege to attend. I have even recommended my brother come here after he graduates from high school - one major disappointment of mine, though, is poorly trained counselors. They were not very helpful, and counseling at SAC should be reviewed.	1	AS	1008	Engineering
I was satisfied with faculty advising. Within my major but did not find the regular campus advisement to be helpful. I am please with the interpreter training programs here and hope it will continue to gain more and more support and recognition throughout the years to come.	1	AA	1056	American Sign Language
I really enjoyed school I plan on returning	1	AAS	1500	Accounting Technology
My experience at San Antonio College has been very rewarding I appreciate every day that I am here and I look forward to an opportunity to continue my education.	1	CL1	1660	Office Systems Technician
Great School needs more parking.	1	AAS	1500	Accounting Technology
Very pleasant with overall instruction @ SAC - will be attending for future courses	1	AAS	1597	Graphic Arts - Print Graphics
I loved being in this Medical Assisting program. Being here at SAC it was great; all depts in here helped me a lot.	1	CL1 and AAS	1515	Medical Ofc Admin Assistant
I found this experience @ SAC enjoyable however, I feel it was short.	1	AAS	1700	Nursing

Cafeteria food too expensive	2	AAS	1700	Nursing
Some of the courses in my degree program seem to be unnecessary for the profession of my choice. Teacher needs to be a little more sensitive & understanding to life situation of traditional student which have to deal with college & family life.	2	AAS	1513	MHT-Substance Abuse
Parking - Parking - Parking !	2	CL1	1514	MHT-Drug & Alcohol Counselor

We do need better computer labs. We have a small staff now of tutors which are great. Wish we had gotten them sooner.	2	AAS	1531	Computer Programming
The schedule for some courses are only in the evening. Please check that in all the programs.	2	AAS	1501	Office Systems Specialist
Financial Aide office help-desk clerks are horrible, not helpful, and rude!	2	AAS	1508	Interpreting for the Deaf
Above degree is in "interactive graphics"	2	AAS	1598	Graphic Arts-Elec Graphics
I would recommend SAC to new students in the Computer Science areas but certain counselors need to be retrained in proper placement of classes. I don't think Financial Aid should be based on the number of credits you all ready have.	2	AAS	1567	Network Administrator
Parking do something about it!!!	2	AAS	1588	Child Development
Counseling and Financial Aid departments are not very helpful.	2	CL1	1665	Microcomputer Data Entry
Parking really inconvenient need multi level garages. We pay a lot in lab fees & still get very old hand me downs w/no prompt efficient tech support. We, CR's, as a Dept. are not publicize or advertise enough or at all & have a low enrollmt every semester. Need to advertise Court Reporting more!	2	AAS and CL1	1505 and 1516	Court Reporting Rapid Text and Court Reporting CAT
Please make yourself at Admission & Records more organized, make up your minds when dealing with what catalog students have to follow	2	2 yr. Certificates	1580	Medical Assisting Technology
The format of this survey is not user friendly to the eyes.	2			
Food is expensive	2	AAS	1500	Accounting Technology
Nursing Dept making classes 8 hr per day; not 4 hrs one day 5 hr next day. And computer [deleted] Instruction a more flex time convince for working student	2	AAS	1700	Nursing (RN)
The Head of the RTVF department should be asked to resign.	2	AAS	1686	Radio-TV-Film Tech
Having problem with auditing and Tilly. Problems with parking	2	AAS	1567	Network Administrator
Charge less for food; improve food quality.	2	AA	1041	Drama
Make more parking. Build a garage if you have to. The parking is absolutely ridiculous and has continued to be my number one complaint ever since I started coming here. With all the money you make off of tickets, you ought to be able to do something.	2	AAS	1567	Network Administrator
LA program needs more courses in the practicality of the use of legal assisting theory. i.e. less or no more theory but more practical application for on the job.	2	AA and AAS	1592	Legal Assisting

I want to thank the staff & Faculty for their help and support. I'm very satisfied with the services and academic instruction received here. My only suggestion will be to reinforce the Intern. Students Office with more staff capable of helping students.	2	AAS	1531	Computer Programming
1. It does tend to get frustrating when a class doesn't make due to attendance and sets back graduation. 2. It would be more convenient if tuition for 3 hours instead of 6 is available, some times we need only 1 class.	2	CL1	1565	Records Management
Enforce parking rules; Bookstore.	2	CL1	1514	MHT-Drug & Alcohol Counselor
I have been here since 1994. I enjoyed most of the things the college has to offer, however, everyone complains about not getting correct academic counseling. I experience that myself many times. The counselors didn't really listen to what you need. The counseling in the ASL-ITP PROGRAM was always good. The bursars' office was very little help and always goofing off and not helping the people in line.	2	AAS	1508	Interpreting for the Deaf
The Financial Aid office was truly a disappointment. They were not supportive and condescending. The counseling service in that dept. was a waste. Instead of being eager to help they were quick to deny financial aid.	2	AAS	1700	Nursing
Parking	2	CL1	1514	MHT-Drug & Alcohol Counselor
Need more Parking!	2	AAS	1588	Child Development
Counseling Center wrong info given. No parking (tickets) & slow response to calls.	2	AA	1053	Social Services
When completed a number of reading intensive classes (i.e. Philos, Freshman Comp I & II, Hist I & II, Govt I & II) I was advised that if I cared to cont. w/my education I must take a remedial reading or sit out 1 yr. Adjustments were not made and failed to acknowledge or inform me of GPA adjustments. Was rather inconsiderate & carried on as if I was wasting her time.	2	AA		all other concentrations
